

PRIVACY POLICY OF WWW.MMOAUCTIONS.COM WEBSITE

General information

This document specifies privacy rules in effect on the www.mmoauctions.com website (hereinafter referred to as „Website”). The Website is administered by FP GLOBAL LIMITED with its registered office in Hong Kong, SUITE A 19/F, TWO CHINACHEM PLAZA, 68 CONNAUGHT ROAD CENTRAL;

Personal data

The Administrator collects data provided freely by Users of the Website. Additionally, the Administrator may store information related to connection parameters, such as IP addresses for technical purposes related to server administration and to collect general, statistical - demographics data (e.g. about the region the connection was made from), as well as for security purposes.

Personal data collected by the Administrator are processed only in conformity with legal regulations and only on the basis of authorisation to process such data, and only for the purpose of archiving or provision of services provided electronically by the Administrator and for other purposes specified in the Rules.

The Administrator shall make every reasonable effort to protect privacy and provided information, related to the Users of the Website. The Administrator shall duly and carefully select and implement adequate technical measures, including programming and organisational measures, protecting the processing data, in particular protecting the data against access of unauthorised individuals, release, loss and destruction, unauthorised modification as well as against data processing with violation of the effective law.

The administrator uses a SSL Certificate in their activities - a tool ensuring protection of the Website, and guaranteeing confidentiality of data sent electronically.

Because of the free nature of personal data provision by the Users, the Users have the right to access their personal data, amend it and to request the Administrator to remove previously provided personal data from data sets maintained by the Administration, with the exception of the next sentence. The Administrator may refuse to remove the data if the User violated the stipulations of this document, of the Rules or the effective legal regulations with their previous behaviour, and retaining such data is necessary to explain the circumstances and to determine the responsibility of the User.

If data of the User who registered with the Website changes, the User may modify such data by logging to the Website.

The Administrator may entrust processing of personal data to third parties providing some services, and in particular, execution of orders, i.e.:

Cookies

So called „cookie” files are used during Website browsing, these are small text files stored at the end device of the User because of and in regards to using the Website. Their use is required in order to ensure correct operation of Website pages.

„Cookies” used by the Administrator are safe for User devices. In particular, they may not infect User devices with viruses or with other unwanted software or malware. These files allow

software used by the Users to be identified and to adapt the Website individually to every User. „Cookies” usually contain the name of the domain they originated from, their storage time on the device and an assigned value.

The Administrator uses two types of „cookies”:

Session cookies: they are stored on the device of the Website User and remain there until the end of the session of the given browser. Stored information is then permanently removed from the memory of the Website User device. The mechanism of session cookies does not allow any personal data and any confidential information to be retrieved from the Website User device.

Permanent cookies: they are stored on the device of the Website User and remain there until they are deleted. The end of session of the given browser or shutting the device down does not cause these files to be removed from the Website User device. The mechanism of permanent cookies does not allow any personal data and any confidential information to be retrieved from the Website User device.
